RENTON, WASH. – Seattle Reign FC goalkeeper Claudia Dickey has been named to the U.S. Women's National Team's 23-player roster for the 2026 Concacaf W Championship, where the United States will look to secure qualification for the 2027 FIFA Women's World Cup in Brazil. The USWNT opens the tournament against El Salvador in the quarterfinal round on Friday, November 27 at Texas Health Mansfield Stadium in Mansfield, Texas (5:30 p.m. PT / Paramount+). A victory would secure the United States a berth in its 10th FIFA Women's World Cup.

Dickey, 26, has earned 12 caps for the USWNT, recording nine clean sheets since making her senior national team debut in June 2025. The goalkeeper most recently represented the United States in an international friendly against Spain on October 10 and has established herself as a consistent presence in Head Coach Emma Hayes' goalkeeping pool. Dickey enters the tournament with the most international appearances among the three goalkeepers named to the roster.

The Charlotte, North Carolina native concluded the 2026 NWSL regular season with a career-high nine clean sheets while becoming Reign FC's all-time leader in regular-season saves and clean sheets. Dickey started 26 of 30 regular season matches, recording 72 saves and continuing to establish herself as one of the league's top goalkeepers.

The 2026 Concacaf W Championship will determine four direct qualifiers for the 2027 FIFA Women's World Cup, with each quarterfinal winner securing a berth. The semifinals are scheduled for Tuesday, December 1 at Texas Health Mansfield Stadium,

followed by the championship match on Saturday, December 5 at Shell Energy Stadium in Houston. All tournament matches will stream live on Paramount+.
