# MATCH PREVIEW

## MATCH STORYLINES & FAST FACTS

### **THE CASCADIA RIVALRY RETURNS TO PORTLAND**

The most-anticipated match of the NWSL calendar has arrived as the Portland Thorns host Seattle Reign for the reverse fixture of the historic Cascadia Rivalry.

The Cascadia Rivalry will kickoff at 1 pm PT on Sunday, August 10 at Providence Park, with the match available to watch on CBS and Paramount+.

### **OVER THE YEARS**

This will be the 43rd edition of the Cascadia Rivalry, the biggest, loudest and most common matchup in NWSL history.

Both teams share an equal record of 16W-16L-10D (Portland are 11W-7L-4D in contests that are played at Providence Park). Additionally, only two points separate Portland and Seattle in the standings. A win would not only see Portland lead the overall series but jump over Seattle in the league table.

When looking at regular season meetings, Portland have not suffered defeat at home against Seattle in four consecutive matches since October 2021 (2W, 2D).

Other Portland notables in the Cascadia Rivalry include the following:

- Last season's 4-0 home win, Portland's biggest win against Seattle. Moultrie opened the scoring, Wilson scored a late PK then Sugita and Linnehan scored in second half stoppage time.
- Portland's 2018 2-1 semifinal victory, still the only

postseason meeting between the two teams.

- Portland's 4-1 home win in September 2020 where Christine Sinclair scored the only hat-trick in Cascadia Rivalry history.
- Portland winning all four matches against Seattle in the inaugural 2013 season.

### **RIVALRY SCORERS**

Portland has outscored Seattle 45-44 across all NWSL competitions (POR 5/5 in PKs, SEA 4/5 in PKs).

Hina Sugita is the only active player on the Thorns roster who sits in the top five Cascadia Rivalry scorers, sitting 5th with three goals. Retired Portland legend Christine Sinclair is tied for second-most Portland goals in Cascadia Rivalry history (5).

### **RECENT CLASHES**

Portland is looking for its first win against Seattle in 2025. Portland has fallen in its two meetings with Seattle this year: a 1-0 road loss in the initial league meeting back in April and a 5-4 penalty shootout loss (after going scoreless in regulation) at Providence Park in the final weekend of the NWSL break.

### **READY TO DEFEND THE FORTRESS**

There's no greater home field advantage in the NWSL to have ahead of a rivalry than Portland's Providence Park. Portland is unbeaten in nine straight regular-season home matches (W6 D3) dating back to the end of last season, equaling the longest streak in club history (9 straight in 2017-18).

# MATCH PREVIEW

## MATCH STORYLINES & FAST FACTS

If Portland can win or draw against Seattle, they'll set a new regular season home unbeaten record. It is important to note that the last time the Thorns almost set this record, the Reign ended the streak with a 3–2 road win in Portland in May 2018.

Not counting the exhibition matches, this is the first match back at Providence Park for Portland since before the break, beating Chicago 1-0 in late June.

### **LAST MATCH LOOKBACK**

The Thorns returned to regular season action last Sunday afternoon at Washington Spirit, falling 2-1 in second half stoppage time courtesy of a late goal from Trinity Rodman.

Despite a shaky start in the match, the Thorns came back into the match just before the break thanks to an absolute rocket outside the box from Moultrie. The Thorns – as they have consistently throughout the season – regrouped and reorganized itself to come out and dominate the second half. Unfortunately, Washington snuck away with the victory and Portland were handed their second consecutive road loss.

### **CLIMBING THE LEADERBOARD**

Moultrie's goal against Washington was her second goal of the year for Portland and 12th regular season career goal. She is now tied her for 9th-most regular season goals in club history alongside Tobin Heath (2013–20) and Hayley Raso (2016–19).

## MATCH STORYLINES & FAST FACTS

### **SETTING IT UP**

Jessie Fleming assisted the opening goal against Washington and is tied with Sam Coffey as the team leader in assists (3) this season.

### **ARNOLD'S RETURN**

Mackenzie Arnold made her first regular season appearance for the Thorns against Washington, making three saves in her first NWSL Match since being sidelined with a leg injury back in May.

Arnold had played the full exhibition match vs Seattle Reign FC before the end of the break and even featured for Australia in a 1-1 friendly draw against Slovenia. Her last NWSL appearance was a 1-0 home victory vs Orlando Pride on May 3.

### **DEYNA'S BACK**

Fresh off her third Copa America Feminina with Venezuela and a much-needed week long break from football, Deyna Castellanos is set to return to the pitch for Portland this Sunday.

In addition to her lone goal this season, Castellanos is joint-third in shots on target (8) and third in shots taken (19) across Thorns players.

### **INTERNATIONAL ROSTER SLOTS**

The Thorns announced Tuesday morning that it had acquired a 2025 and 2026 international roster slot in exchange for \$60,000 in allocation money and \$20,000 in 2026 intra-league transfer fee funds in an exchange

The Thorns now have nine international roster slots. Seven players are currently designated with an international slot: Mackenzie Arnold (Australia), Kaitlyn Torpey (Australia), Daiane (Brazil), Mimi Alidou (Canada), Jessie Fleming (Canada), Isabella Obaze (Denmark) and Hina Sugita (Japan).

## COMMITTING TO THE THORNS

Over the last month, the Thorns have reached agreements with several players to keep them on board or bring them in to Portland.

Those players include GK Bella Bixby (exercised 2026 club option); DF Marie Müller (extension through 2026 with club option for 2027), DF Mallie McKenzie (extension through 2026), GK Morgan Messner (extension through 2026), and MF Naomi Powell (short-term through August 2025).

# 2025 TECHNICAL LEADERSHIP

## JEFF AGOOS, PRESIDENT & GENERAL MANAGER OF SOCCER OPERATIONS

Jeff Agoos was named President and General Manager of Soccer Operations for Portland Thorns FC on January 7, 2025. A legendary figure in American soccer, Agoos brings unparalleled expertise and an extensive track record of success to his leadership role with the Thorns.

Agoos is one of the most accomplished players in Major League Soccer (MLS) history, with a career that spanned more than a decade at the highest levels of the game. As a standout defender for the U.S. Men's National Team, Agoos earned 134 caps and represented his country in three FIFA World Cups—1994, 1998, and 2002. His defensive prowess and leadership on the international stage were integral to the success of the U.S. during his tenure, and he remains a central figure in the country's soccer history.

A key contributor to the dominance of MLS in its early years, Agoos played for two of the league's most successful franchises—D.C. United and the San Jose Earthquakes. During his career, he amassed five MLS Cup championships, the most by any player in league history. His time with D.C. United saw him win MLS titles in 1996, 1997, and 1998, while his later years with San Jose were highlighted by additional titles in 2001 and 2003, cementing his place as one of the league's most decorated players. In recognition of his extraordinary career, Agoos was inducted into the National Soccer Hall of Fame in 2008.

Following his retirement from playing in 2005, Agoos transitioned to executive leadership, where he has continued to shape the landscape of American soccer. He served as Technical Director for the New York Red Bulls, a role in which he was responsible for overseeing player development, team operations, and strategic direction. Most recently, Agoos held the position of Senior Vice President of Competition, Operations, and Medical at Major League Soccer. In this capacity, he played a pivotal role in the league's growth, overseeing key areas such as competition integrity, operations, and player welfare, all while enhancing MLS's global standing.

## MIKE NORRIS, TECHNICAL DIRECTOR

Mike Norris was named Technical Director for the Portland Thorns FC after serving as the team's fifth head coach. In his new role, Norris will focus on scouting, talent acquisition, and player development. As head coach, he posted a record of 10-7-6 in 25 NWSL matches.

Before joining the Thorns, Norris spent eight years with Canada Soccer, where he served as the set play and goalkeeper coach for the Canada Women's National Team from 2019 to 2021. During that time, Canada won a gold medal at the Tokyo 2020 Olympics.

Born in Ashington and raised in Newcastle upon Tyne, Norris brings a wealth of experience in soccer both internationally and domestically to his role with the Thorns.

## ROB GALE, HEAD COACH

Rob Gale was appointed Head Coach of Portland Thorns FC in July 2024.

Gale joined the Thorns in March 2023 as an assistant coach under Mike Norris. He became the first Zambian-born individual to coach an NWSL team and win a league match.

Before his time with Portland, Gale built a strong coaching background at both the youth and professional levels. He began as a youth coach in NYCFC's academy system before becoming head coach and general manager of Valour FC in the Canadian Premier League. Additionally, he worked as a youth coach for Canada's national team programs, contributing to the development of emerging players.
