

HOUSTON DASH GAME NOTES

HOUSTON DASH HEAD WEST TO FACE SEATTLE REIGN FC

The Houston Dash travel to Lumen Field on Sunday, May 11 to face Seattle Reign FC at 7 p.m. CT. The Dash are 1-1-0 (WLD) on the road this season and look for their first victory in Seattle since the 2022 season. Both teams split the regular season series in 2024 with each team winning at home.

The Dash closed a two-game homestand with a 2-1 loss to Racing Louisville FC last Friday evening. Defender Avery Patterson scored in the ninth minute to give Houston the lead and that was her first goal of the season. Patterson scored her first goal as a professional during her rookie season against Bay FC at home on Nov. 2, 2024.

Forward Ryan Gareis tallied her second assist of the season on the play. Gareis led the team with seven crosses against Louisville and Patterson finished with four shots on target.

Forward Yazmeen Ryan led the team with three chances created against Louisville and finished with three touches inside the opponent's box. Ryan led the team with eight duels won and finished with three recoveries. Midfielder Delanie Sheehan led the team with seven recoveries and the midfielder created one chance last Friday.

Defensively, Dash captain Jane Campbell finished with three saves against Louisville. She currently leads the league with 23 saves this season. Defender Paige Nielsen earned her 100th start in league play and she finished with four clearances in the match. Defender Katie Lind led the team with six clearances.

Friday's match marked the return of forward Evelina Duljan and defender Natalie Jacobs who both missed the last three matches due to injury. Jacobs created one chance and finished with one recovery in her second half shift. Duljan finished with a shot and helped on the defensive side of the ball with a tackle won.

Seattle Reign FC opened a two-game homestand with a 1-0 victory over the Kansas City Current on Friday evening. Lynn Biyendolo scored the lone goal of the match in the 37th minute and that was her first goal of the season. Jordyn Huitema tallied the assist on the goal and that was her first of the regular season. Seattle currently sits in fifth place in the league standings and has won two out of their last three games.

Friday's shutout was the second clean sheet of the season for Claudia Dickey, who boasts a 0.86 goals-against average and that ranks amongst the lowest in the league. To date, Seattle has only allowed more than one goal in one match, a 2-1 loss on the road to Angel City FC on March 30.

Seattle will visit Shell Energy Stadium on Sunday, Aug. 24 for the second match of the regular season series.

The Dash return to Shell Energy Stadium on Friday, May 16 to host Deyna Castellanos and Portland Thorns FC. Tickets for that match are available on SeatGeek.

ABOUT SHELL ENERGY STADIUM

Shell Energy Stadium is a state-of-the-art, open-air stadium designed to host Houston Dynamo FC matches, Houston Dash matches and Texas Southern University football games as well as additional professional, collegiate and community sporting events, concerts, exhibitions, conventions and special events. Opened on May 12, 2012, the 340,000-square foot, 21,000-seat stadium is the first soccer-specific stadium in Major League Soccer located in a city's downtown district.

An architecturally stunning building, the stadium features 94,000 square feet of aluminum panels on its exterior, giving it a modern and stylish appearance. Each of the panels is 50 percent open to improve air flow throughout the concourses. Canopies extend 75 feet over the stands on the east and west sides of the stadium, and a stage canopy extends 125 feet over the south end, providing shade to soccer fans and a built-in speaker setup for concerts. With its downtown location, the stadium is a part of a true 'Stadium District,' which includes Minute Maid Park and the Toyota Center, as well as the George R. Brown Convention Center, Discovery Green, Warehouse Live and House of Blues.

The stadium was awarded the LEED® Silver certification from the U.S. Green Building Council in December 2012. The venue has been identified as a pioneering example of new construction and sustainable design and is considered a leader in transforming the building industry.

On June 13, 2019, the stadium was officially renamed from BBVA Compass Stadium to BBVA Stadium. The new stadium name and corresponding signage change was part of BBVA's ongoing brand unification happening across the globe. BBVA Group's new logo and brand signals an advancement in the financial institution's efforts become a single, global digital entity in all areas where it operates. The stadium was again renamed again in 2021 following the merger of PNC Bank and the U.S. division of BBVA.

The venue reopened its doors as Shell Energy Stadium in 2023 following an agreement between Houston Dynamo Football Club and Shell Energy. Both organizations are pursuing a variety of integrated energy and decarbonization solutions at the stadium, while also collaborating on important community initiatives. This includes a near-term goal to reduce the Club's scope one and scope two greenhouse gas emissions by 50 percent by 2026 from a 2018 base year.
