

HOUSTON DASH GAME NOTES

HOUSTON DASH LOOK TO EXTEND UNBEATEN STREAK AS THEY HOST SEATTLE REIGN FC ON SUNDAY

The Houston Dash return to Shell Energy Stadium on Sunday, Aug. 24 to host Seattle Reign FC. Kickoff is scheduled for 6 p.m. CT and the Dash enter the match on a two-game winning streak after a last-gasp triumph over NJ/NY Gotham FC on Sunday evening. The team has earned seven points and posted a 2-0-1 (WLD) record since league play resumed on Aug. 2. Tickets for Sunday's match are available on HoustonDash.com.

The Dash have now claimed 11 points following a deficit this season and lead the league in that category. The team added three more points to that tally on Sunday evening with a dramatic victory in New Jersey with a last-minute goal from Michelle Alozie and heavy pressure from Kiki Van Zanten that led to an own goal.

Midfielder Sarah Puntigam recorded her first goal contribution of the season on Sunday with an assist on Houston's game-winner. Entering late in the second half, she continued a trend for the Dash: since league play resumed on Aug. 2, three of the team's five goals have come from substitutes. The team has scored six goals via substitutes this season, the most of any team in the league according to Opta.

Defensively, the Dash will be tasked with containing an offense that scored three goals in their last outing. Houston will also search for their third clean sheet of the season and their first since earning three points on the road against Seattle on May 11. Midfielder Maggie Graham scored the lone goal in that match to secure Houston's third victory of the season. The teams split the regular season series in 2024 with each team winning at home.

Houston will be without three players following an active stretch in the transfer market. The team announced earlier this week that defenders Rebeca and Zoe Matthews would join DUX Logroño in Spain on loan through June 2026. Additionally, the team announced a trade with Boston Legacy FC for midfielder Barbara Olivieri. The team acquired \$100,000 in intra-league transfer funds. The transaction includes up to \$30,000 in conditional expansion allocation money and \$35,000 in conditional intra-league transfer funds from Boston. The secondary transfer window closes on Monday, Aug. 25.

Seattle earned a point on Monday evening after they conceded three goals in the second half against Chicago Stars FC. Jess Fishlock scored in the opening minutes to give Seattle an early lead followed by goals from Jordyn Huitema and Emeri Adames. Despite the sizeable lead the Reign conceded three goals in the final stretch of the match. That stretch culminated with a goal from Chicago goalkeeper Alyssa Naeher in stoppage time. Seattle is searching for their second victory since league play resumed earlier this month. Laura Harvey's squad returned to league play with a 2-0 triumph at home over Angel City FC. Seattle fell to Portland Thorns FC on Aug. 10 and split the points with Chicago on Monday.

The Dash sit in 10th place in the league table, just two points back of the eighth and final playoff spot. A win on Sunday would surpass last season's total and move Houston closer to the top half of the standings. With three of their next four matches on the road, the Dash will look to collect crucial points away from home to fuel their playoff push.

Houston begins that three-game road trip in Kentucky against Racing Louisville FC on Friday, Aug. 29 and returns to Shell Energy Stadium on Friday, Sept. 19 to host Chicago Stars FC. Tickets for that match and all Dash matches are available at HoustonDash.com.

ANGELA HUCLES MANGANO
HOUSTON DASH PRESIDENT OF SOCCER

Angela Hucles Mangano was hired as President of Women's Soccer on December 9 and is the first individual to serve in this role. Hucles Mangano serves as the Chief Soccer Officer for the team and brings nearly four decades of experience in the sports industry as an executive, motivational speaker and athlete.

Hucles Mangano most recently served as the General Manager for Angel City FC. She joined the Angel City technical staff in 2021 as the Vice President of Player Development and Operations. Hucles Mangano was promoted to general manager the following year and built a roster that earned Angel City's first ever playoff appearance in 2023. She led all aspects of soccer operations for the club and earlier this year she helped the organization secure a nine-acre site to house its performance center starting in 2025.

Her experience in the non-profit sector includes a two-year stint with Up2Us Sports as a Regional Director. She has also served on the board of non-profit organizations like You Can Play, which is dedicated to fostering a safe and inclusive environment for all who participate in sports, including LGBTQ+ athletes, coaches and fans.

Hucles Mangano is a two-time Olympic gold medal winner with the U.S. Women's National Team and appeared in more than 100 matches for the United States. She also joined the USWNT for the 2003 and 2007 FIFA Women's World Cups, earning two bronze medals. Her professional career began in Virginia where she played for the Hampton Roads Piranhas of the W-League for one season. She spent the next nine seasons in Boston playing for the Boston Breakers, both in the WUSA and WPS professional soccer leagues, and Boston Renegades.

Following her retirement from professional soccer, the Virginia Beach, Virginia native also spent time as a commentator for ESPN, NBC and FOX during their coverage of international events like the Olympic Games and FIFA Women's World Cup.

FABRICE GAUTRAT
HOUSTON DASH HEAD COACH

Gautrat enters his first season as the head coach of the Houston Dash and brings extensive NWSL playoff experience and more than 15 years of coaching experience at the professional and youth levels.

Gautrat joins the Dash following two seasons with the North Carolina Courage as an assistant coach. The 37-year-old helped North Carolina reach the postseason in back-to-back campaigns and win the 2023 NWSL Challenge Cup. The team also reached the semifinals of the NWSL x LIGA MX Femenil Summer Cup.

The Santa Clarita, Calif. native began his NWSL coaching career with the Chicago Red Stars in 2020 as an assistant coach. The team reached the final of the inaugural NWSL Challenge Cup in 2020 and qualified for the postseason in back-to-back seasons following the return of league play in 2021. Gautrat also helped the team reach the 2021 NWSL Championship.

Gautrat brings extensive youth coaching experience following his time with Chicago FC United in Illinois, where he served as the academy director and led the transformation of the club into a nationally ranked program with multiple playoff appearances. He joined the club in 2018 as the head coach of the U-14 and U-19 teams and left in February 2022 to join the Red Stars full-time. During his time with FC United he also joined the U.S. U-17 Youth National Team camp in June 2019.

His experience includes a stint in France with Olympique Lyonnais in 2018 as an assistant coach for the U-19 women's and U-16 boy's squads. He also served as the director of coaching and academy director for Rush Soccer from 2015-2017 in Georgia. Gautrat began his coaching career at the prep level in 2008 in France and held various roles at Flintridge Prep and FC Golden State from 2010-2014.

Gautrat played professional soccer in the United States and France. He began his professional career in 2011 when he moved to France to play for UJA Maccabi. He played as a defender throughout his career and returned to the United States in 2014 to sign with the Orange County Blues. He finished his professional career in 2015 with the Atlanta Silverbacks of the NASL.

ABOUT SHELL ENERGY STADIUM

Shell Energy Stadium is a state-of-the-art, open-air stadium designed to host Houston Dynamo FC matches, Houston Dash matches and Texas Southern University football games as well as additional professional, collegiate and community sporting events, concerts, exhibitions, conventions and special events. Opened on May 12, 2012, the 340,000-square foot, 20,000-seat stadium is the first soccer-specific stadium in Major League Soccer located in a city's downtown district.

The Houston Dash have played select home games away from the stadium, including a match at H-E-B Park in Edinburg, Texas on September 27, 2017 against the North Carolina Courage, due to impacts from Hurricane Harvey. This marked the second time the Dash hosted a home game away from their home venue.

An architecturally stunning building, the stadium features 94,000 square feet of aluminum panels on its exterior, giving it a modern and stylish appearance. Each of the panels is 50 percent open to improve air flow throughout the concourses. Canopies extend 75 feet over the stands on the east and west sides of the stadium, and a stage canopy extends 125 feet over the south end, providing shade to soccer fans and a built-in speaker setup for concerts. With its downtown location, the stadium is a part of a true 'Stadium District,' which includes Daikin Park and the Toyota Center, as well as the George R. Brown Convention Center and Discovery Green.

The stadium was awarded the LEED® Silver certification from the U.S. Green Building Council in December 2012. The venue has been identified as a pioneering example of new construction and sustainable design and is considered a leader in transforming the building industry.

On June 13, 2019, the stadium was officially renamed from BBVA Compass Stadium to BBVA Stadium. The new stadium name and corresponding signage change was part of BBVA's ongoing brand unification happening across the globe. BBVA Group's new logo and brand signals an advancement in the financial institution's efforts become a single, global digital entity in all areas where it operates. The stadium was again renamed again in 2021 following the merger of PNC Bank and the U.S. division of BBVA.

The venue reopened its doors as Shell Energy Stadium in 2023 following an agreement between Houston Dynamo Football Club and Shell Energy. Both organizations are pursuing a variety of integrated energy and decarbonization solutions at the stadium, while also collaborating on important community initiatives. This includes a near-term goal to reduce the Club's scope one and scope two greenhouse gas emissions by 50 percent by 2026 from a 2018 base year.
