RENTON, WASH. – Seattle Reign FC's preseason match at the 2026 Coachella Valley Invitational has been finalized, with the club set to face Angel City FC on Saturday, February 21 at 1:30 p.m. PT at Empire Polo Club in Indio, California. CVI organizers today announced the full match schedule for the 2026 preseason tournament, which will run from February 7–21 and include clubs from both the National Women's Soccer League and Major League Soccer.

This year marks the largest CVI event ever with Reign FC participating alongside eight other NWSL clubs from February 15-21 in preparation for the 2026 NWSL season. Seattle's matchup against Angel City FC will take place on the final day of NWSL competition at this year's event and marks an important early test as Reign FC continues preparations for the 2026 NWSL campaign.

[General admission passes for the Coachella Valley Invitational are now available](#), with Early Bird pricing offered for a limited time. Fans can attend matches throughout the tournament and experience preseason action up close at Empire Polo Club. Pricing and savings vary by date. Early Bird Pricing ends January 5.

- Houston Dash vs. Portland Thorns at 10:30 a.m. PT
- San Diego Wave FC vs. Denver Summit FC at 12 p.m. PT
- **Angel City FC vs. Seattle Reign FC at 1:30 p.m. PT**

Media Credential Application Process Now Open

The media credential application process for the 2026 Coachella Valley Invitational (CVI) is now open. This year, media can apply for an event credential, and if approved, will be required to RSVP for each event day that they plan to attend. Media credentials are required for all matches, and the deadline will be strictly enforced. The deadline to submit applications for event coverage is **Tuesday, February 3**. No credential applications or changes will be accepted after the deadline. Applying for credentials does not guarantee credentials will be approved. All applicants must be on assignment, and credentials per outlet will be limited. Media can access the online application through this link [HERE](#).
