

HOUSTON DASH GAME NOTES

HOUSTON DASH CLOSE THREE-GAME HOMESTAND AGAINST SEATTLE REIGN FC

The Houston Dash close a three-match homestand on Friday, May 1, as they host Seattle Reign FC at 7:00 p.m. at Shell Energy Stadium. The Dash also begin a seven-game stretch to close the first portion of the season prior to a break for the 2026 FIFA Men's World Cup.

The Dash look to bounce back following a 1-0 loss to the North Carolina Courage last weekend at home. That match snapped Houston's seven-match unbeaten run at home, going back to the 2025 season. The match marked the return of forward Kate Faasse, who missed the last three matches due to an injury sustained on March 14 in the first match of the season against San Diego. This match also marked the first start of the season for defender Lisa Boattin, who suffered an injury earlier this year while on international duty.

Friday's match could mark the Dash debut of midfielder Emina Ekić, who signed with the team earlier this week. The 2024/2025 USL Super League Player of the Year returns to the NWSL following a stint with Spokane Zephyr FC and more recently with Lexington SC. The University of Louisville alum began her professional career in Kentucky after she was drafted with the fifth overall pick by Racing Louisville FC in 2021.

The Dash look to spark an offense that scored seven goals at home in the first two matches of the year at Shell Energy Stadium. Midfielder Kiki Van Zanten and forward Kat Rader headline a group that has helped Houston remain competitive in tight matches both at home and on the road with key contributions in the final third. Rader has tallied 11 chances created in her first five NWSL matches and she has contributed to three goals (two goals and one assist) this season.

Defensively, the team will look to captain Jane Campbell to anchor a backline that has earned two clean sheets this season. Campbell finished with seven saves against North Carolina last weekend. Defender Leah Klenke is a new addition to the backline and she currently leads field players with 29 recoveries. The Houston native is one of six first-year players to sign with the Dash this season. To date, five of the six first-year players have earned minutes this season. Defender Natalie Bain is the sixth first-year player to sign with the team and she will report to Houston next month following the conclusion of her academic term at Xavier University.

Seattle also looks to bounce back after a 3-0 loss to Utah Royals FC at home on Sunday evening. That loss snapped a three-game unbeaten run that included back-to-back victories over Louisville and the Kansas City Current. Brittany Ratcliffe and Maddie Mercado currently lead the team with two goals each, and Nerilia Mondesir leads the team with two assists. Defensively, Claudia Dickey is tied for the second most saves in the league with 22.

Friday's match will mark the final visit for Jess Fishlock, who announced earlier this season that she will retire at the conclusion of the 2026 campaign. The Reign captain played her entire 14-year NWSL career in Seattle and was named the league's Most Valuable Player in 2021.

Houston won the regular season series against Seattle in 2025 with a victory at Lumen Field following a goal from midfielder Maggie Graham. The two teams split points following a 1-1 draw at Shell Energy Stadium on Aug. 24.

The Dash travel to Salt Lake City next week for their first midweek game of the season as they face Utah Royals FC on Wednesday, May 6 at 9 a.m. CT. The team returns to Shell Energy Stadium on Saturday, May 9 to host Denver Summit FC for Inspiring Women's Night, presented by United Airlines. ANGELA HUCLES MANGANO
HOUSTON DASH PRESIDENT OF SOCCER

Angela Hucles Mangano enters her second season as the President of Women's Soccer of the Houston Dash and she is the first individual to serve in this role. Hucles Mangano was hired on December 9, 2024, and serves as the Chief Soccer Officer for the team and brings nearly four decades of experience in the sports industry as an executive, motivational speaker and athlete.

Hucles Mangano previously served as the General Manager for Angel City FC. She joined the Angel City technical staff in 2021 as the Vice President of Player Development and Operations. Hucles Mangano was promoted to general manager the following year and built a roster that earned Angel City's first ever playoff appearance in 2023. She led all aspects of soccer operations for the club and she helped the organization secure a nine-acre site to house its performance center prior to joining the Dash.

Her experience in the non-profit sector includes a two-year stint with Up2Us Sports as a Regional Director. She has also served on the board of non-profit organizations like You Can Play, which is dedicated to fostering a safe and inclusive environment for all who participate in sports, including LGBTQ+ athletes, coaches and fans.

Hucles Mangano is a two-time Olympic gold medal winner with the U.S. Women's National Team and appeared in more than 100 matches for the United States. She also joined the USWNT for the 2003 and 2007 FIFA Women's World Cups, earning two bronze medals. Her professional career began in Virginia where she played for the Hampton Roads Piranhas of the W-League for one season. She spent the next nine seasons in Boston playing for the Boston Breakers, both in the WUSA and WPS professional soccer leagues, and Boston Renegades.

Following her retirement from professional soccer, the Virginia Beach, Virginia native also spent time as a commentator for ESPN, NBC and FOX during their coverage of international events like the Olympic Games and FIFA Women's World Cup.

FABRICE GAUTRAT
HOUSTON DASH HEAD COACH

Fabrice Gautrat enters his second season as the head coach of the Houston Dash and looks to build on a strong finish to the 2025 season. The Dash earned 19 points in the second half of the season, nearly doubling their tally earned in the first half of the year. Gautrat's first year as the head coach of the team finished with a 5-4-4 (WLD) record in the final stretch of the season, with key victories over three teams that qualified for the postseason. The team ultimately posted an 8-12-6 (WLD) record and finished six points shy of securing a postseason berth.

Gautrat joined the Dash in January 2025 following two seasons with the North Carolina Courage as an assistant coach. The 38-year-old helped North Carolina reach the postseason in back-to-back campaigns and win the 2023 NWSL Challenge Cup. The team also reached the semifinals of the NWSL x LIGA MX Femenil Summer Cup.

The Santa Clarita, Calif. native began his NWSL coaching career with the Chicago Red Stars in 2020 as an assistant coach. The team reached the final of the inaugural NWSL Challenge Cup in 2020 and qualified for the postseason in back-to-back seasons following the return of league play in 2021. Gautrat also helped the team reach the 2021 NWSL Championship.

Gautrat brings extensive youth coaching experience to Houston following his time with Chicago FC United in Illinois, where he served as the academy director and led the transformation of the club into a nationally ranked program with multiple playoff appearances. He joined the club in 2018 as the head coach of the U-14 and U-19 teams and left in February 2022 to join the Red Stars full-time. During his time with FC United he also joined the U.S. U-17 Youth National Team camp in June 2019.

His experience includes a stint in France with Olympique Lyonnais in 2018 as an assistant coach for the U-19 women's and U-16 boy's squads. He also served as the director of coaching and academy director for Rush Soccer from 2015-2017 in Georgia. Gautrat began his coaching career at the prep level in 2008 in France and held various roles at Flintridge Prep and FC Golden State from 2010-2014.

Gautrat played professional soccer in the United States and France. He began his professional career in 2011 when he moved to France to play for UJA Maccabi. He played as a defender throughout his career and returned to the United States in 2014 to sign with the Orange County Blues. He finished his professional career in 2015 with the Atlanta Silverbacks of the NASL.

ABOUT SHELL ENERGY STADIUM

Shell Energy Stadium is a state-of-the-art, open-air stadium designed to host Houston Dynamo FC matches, Houston Dash matches and Texas Southern University football games as well as additional professional, collegiate and community sporting events, concerts, exhibitions, conventions and special events. Opened on May 12, 2012, the 340,000-square foot, 20,000-seat stadium is the first soccer-specific stadium in Major League Soccer located in a city’s downtown district.

The Houston Dash have played select home games away from the stadium, including a match at H-E-B Park in Edinburg, Texas on September 27, 2017 against the North Carolina Courage, due to impacts from Hurricane Harvey. This marked the second time the Dash hosted a home game away from their home venue.

An architecturally stunning building, the stadium features 94,000 square feet of aluminum panels on its exterior, giving it a modern and stylish appearance. Each of the panels is 50 percent open to improve air flow throughout the concourses. Canopies extend 75 feet over the stands on the east and west sides of the stadium, and a stage canopy extends 125 feet over the south end, providing shade to soccer fans and a built-in speaker setup for concerts. With its downtown location, the stadium is a part of a true ‘Stadium District,’ which includes Daikin Park and the Toyota Center, as well as the George R. Brown Convention Center and Discovery Green.

The stadium was awarded the LEED® Silver certification from the U.S. Green Building Council in December 2012. The venue has been identified as a pioneering example of new construction and sustainable design and is considered a leader in transforming the building industry.

On June 13, 2019, the stadium was officially renamed from BBVA Compass Stadium to BBVA Stadium. The new stadium name and corresponding signage change was part of BBVA’s ongoing brand unification happening across the globe. BBVA Group’s new logo and brand signals an advancement in the financial institution’s efforts become a single, global digital entity in all areas where it operates. The stadium was again renamed again in 2021 following the merger of PNC Bank and the U.S. division of BBVA.

The venue reopened its doors as Shell Energy Stadium in 2023 following an agreement between Houston Dynamo Football Club and Shell Energy. Both organizations are pursuing a variety of integrated energy and decarbonization solutions at the stadium, while also collaborating on important community initiatives. This includes a near-term goal to reduce the Club’s scope one and scope two greenhouse gas emissions by 50 percent by 2026 from a 2018 base year.
